Teachers and Track Coaches

**Friday June 15, 2012
Galt Collegiate Institute**

In similar tradition to the Galt Skating Races, the Classic Mile is designed to bring together school aged athletes and their families for a unique racing experience.

At the Classic Mile a grade three student can share the track with a future Olympian. Canadian running legends Reid Coolsaet, Nate Brannen, and Carmen DoumaHussar have all raced on the historic track at GCI.

For the 2012 event, there are no registration fees for Early Bird entries to the event. Simply register your team on-line by May 6th and your students race for free.

Some coaches may choose to select runners based on a qualifying time or regional race.

Registered schools can also field a 4x400m co-ed relay team.
